Host ID	

To install this license on a computer where Gurobi Optimizer is installed, copy and paste the following command to the Start/Run menu (Windows only) or a command/terminal prompt (any system):

```
grbgetkey 56fb0616-b3ee-d972-6342-57e6ea7a0d97
```

The `grbgetkey` command requires an active internet connection. If you get no response or an error message such as "Unable to contact key server", please [click here for additional instructions](#).
