

5.5 Unit 5 Homework Discussion ONLY Forum

HOMEWORK PROBLEMS FORUM FOR UNIT 5

We will have a second forum each week to keep homework problem discussion separate from discussion of practice problems and the course material.

For homework problems, use the forum below. Posting full solutions to homework problems in the forums is **NOT** allowed. The staff will be proactive in removing posts and replies in the discussion forums that have stepped over the line.

Please **SEARCH** the forum for an answer before posting a question.

REPLY to the thread that matches the problem number.
