0.1.3 What You Will Learn

The third unit of the week informs you of what you will learn. This describes the knowledge and skills that you can expect to acquire. In addition, this provides an opportunity for you to self-assess upon completion of the week.

Upon completion of this week, you should be able to

- Navigate through LAFF on the edX platform.
- Keep track of your homework and progress through LAFF.
- Download and start MATLAB.
- Recognize the structure of a typical week.
