MathWorks is generously providing licenses for MATLAB Online for the duration of the course. To gain access to MATLAB Online, please follow these steps:

1. If you do not already have a MathWorks account, create one.

2. Click on the MATLAB Online license link for LAFF students and log in with your account credentials (if requested).

3. Click the blue 'Access MATLAB Online' button or navigate to matlab.mathworks.com, provide your account credentials, and confirm that you now have MATLAB Online access.

4. Bookmark MATLAB Online for quicker access in the future.

If you have logistic questions regarding MATLAB Online, then please post to our discussion board by using the above discussion box for questions. If in future weeks you instead have a problem related to a homework that *uses* MATLAB, then post to the discussion box in the unit where the homework appears.

MATLAB Online is supported in Chrome (recommended for best experience), Firefox, and Safari.
