Dear participant,

On behalf of the whole team who contributed to this course, I would like to thank you for your interest and for your participation, and congratulations to those who have completed the entire course. I hope that it has been a helpful and fun experience.

If you want to **go further** in the study of this matter, there are two companions courses available on the same platform:

- Optimization: principles and algorithms -Linear optimization.
- Optimization: principles and algorithms - Unconstrained nonlinear optimization

I also invite you to check out our [**course catalog**](#) to continue your learning journey in science and technology.

Finally, your thoughts on this course are of interest to us. I invite you to take the 6-question-evaluation below. Your answers are very helpful to us and will allow us to develop the course for future students. Thank you for your participation.

Best regards,

Michel Bierlaire
