Evaluation

 Bookmark this page

This course offers 2 types of evaluation:

Practice exercises: these exercises don't account points for the final grade. You are not required to complete them to complete the course. They are intended only to help consolidate the material you have just seen, and make sure you have understood the key points.

Final exam: this control exam account points for the final grade. You are required to complete it to complete the course. In order to succeed this course, you will need **60% of the available points**.
