If you are a student of The University of Texas at Austin, you can download MATLAB and/or use MATLAB Online for free through UT's site license. For more information, click [here](#).

For non-UT Austin students, MathWorks is generously providing licenses for MATLAB Online for the duration of the course. To gain access to MATLAB Online, please follow these steps:

1. If you do not already have a MathWorks account, [create one](#).
2. Click on the [MATLAB Online license link](#) for ALAFF students, and log in with your MathWorks account credentials (if requested).
3. Click on the blue 'Access MATLAB Online' button or navigate to [www.matlab.mathworks.com](#) and confirm that you have access to MATLAB Online. Bookmark MATLAB Online for quicker access in the future.

If you have logistic questions regarding MATLAB Online, then please post to our discussion board by using the above discussion box for questions. If in future weeks you instead have a problem related to a
