0.2.1 Accessing these notes ¶

For information regarding these and our other materials, visit <http://ulaff.net>.

These notes are available in a number of formats:

- As an online book authored with <https://pretextbook.org> at <http://www.cs.utexas.edu/users/flame/laff/alaff/>.
- As a PDF at <http://www.cs.utexas.edu/users/flame/laff/alaff/ALAFF.pdf>.

If you download this PDF and place it in just the right folder of the materials you will clone from GitHub (see next unit), the links in the PDF to the downloaded material will work.

We will be updating the materials frequently as people report typos and we receive feedback from learners. Please consider the environment before you print a copy...

- Eventually, if we perceive there is demand, we may offer a printed copy of these notes from <http://www.lulu.com>, a self-publishing service. This will not happen until Summer 2020, at the earliest.
